Spotted Flower
木尾士目 第11話
Shimoku Kio
I've been thinking,
It's time we decided whether or not you're going to be in the delivery room with me when the baby's born!
Huh? Oh. UMM. Yeah
Says here we need to attend a seminar if we're gonna go with that
Wait,
I'm not twisting your arm into it or anything,
I know you have work...
REALLY?!
...Ah.

Err... I mean, if that's you want, then I can... well...
To be honest, I thought it'd be too much to ask of you!
...Oh well
Imagine this sofa is the hospital bed.
Now, stand here next to me
Okay! Let's do some mock practice!
Well, no, not really, I just...
Hunz Like thisz
.....

THERE! WHAT DO YOU THINK?!
...I'm not sure I can safely answer that question.
GROPE
GROPE
GROPE
...Hmph.
Hey...!!
SQUEEZE

So it really is this belly, huh!
You just can't get it up to this, can you!
Oh, the baby moved.
...Well, I just get to thinking, there's an actual human being inside there, you know...?
...Yeah, but in that... what was it you called it? Traps? Yeah, in those trap games you played,
those boys got pregnant, right?
And there were even sex scenes while they were pregnant.
Wait,
Well... To be frank, I couldn't get it up to those scenes, either...
how do those guys even give birth, anyway?
Ooh...
.....
Hmm?

To be honest, it's really best not to think too deeply about that...
Huh? But think about it, they don't have girl parts so you use the other hole, right? But if they get pregnant there, then...
the only logical answer is that they give birth.
I'M SURE THEY ALL GET CAESAR-EANS!!!
...Then doesn't that mean for them, having a kid is just like p●●ping...
AAAAAH STOOOP IIIIIT
Maybe there's times when they're giving birth and a little spurts out around the edges or something
The more you talk about stuff like that,
the less I think I'll be able to stand in the delivery room together with you...
...Hah.

Well, honestly,
I'm a little embarrassed thinking of it, too...
I guess we should just call it off...
I'm gonna watch
HUH?
Why?!
No, wai...
Stop, don't look...!
No, I'm looking.
Fin.
